CATEGORICAL EXCLUSION
GLACIER NATIONAL PARK

Project Title: Rehabilitate Wheeler Cabin (Design Build)

Attach Compliance Screening Form with project description.
See attached.

Describe the category used to exclude action from further NEPA analysis and indicate the number of the category.
DO-12, Section 3.3 C.4 "Routine maintenance and repairs to cultural resource sites, structures, utilities, and grounds under an approved Historic Structures Preservation Guide or Cyclic Maintenance Guide; or if the action would not adversely affect the cultural resource."

Describe any public or agency involvement effort conducted (or reference attached description). E.g. "completed Compliance Screening Form and concept review process."
Internal review was conducted and the park's ID Team reviewed the project on 3/5/20.

This is for the design phase only.

On the basis of the environmental impact information in the statutory compliance file, with which I am familiar, I am categorically excluding the described project from further NEPA analysis. No extraordinary circumstances or conditions apply, and this project does not meet an exception to a categorical exclusion.
